

Technical Information

Ideal for private and commercial use. The range starts with 12ft to 14ft models which are suitable for most cars and small 4 x 4s and are often used for recreational motor racing. Heavy duty vehicle transporters start at 16ft and are designed to carry large 4 x 4s, vans and small trucks. Robust and reliable these trailers combine ease of use and durability to ensure many years of use. Every trailer comes with a 12 month parts warranty and 3 years chassis warranty.

Standard Features

- Galvanised steel chassis
- 2 speed winch with a 1500kg capacity
- with 8mm wire rope and hook
- 5ft loading ramps (pair)
- rear prop stands
- industrial quality Bradley coupling
- heavy duty jockey wheel
- bracket mounted spare wheel
- LED rear lights
- front outline marker lamps
