

# MOTIV trailers

## MODEL

### TC 1200 ET 2x9

## Technical Information

Part of our new Easy Tow series, lightweight and specifically designed for drivers who passed their test after 1st January 1997 and have not taken a separate towing test. With a lighter weight chassis and body the trailer still retains the quality and features of the models in our range and is a useful size for smaller clubs or as a second trailer.

## Standard Features

- Aluminium box sides and floor
- 'Lift up' adjustable front rack
- Adjustable draw bar
- Constructed with a clear box floor (the rack legs are outside the box)
- Hot dipped galvanised with a double layer chassis for additional strength and lightness
- Fitted with soft ride axles with low maintenance features
- Protective EPDM rubber buffer on all racks to take special care of your boats when stored and in transit
- Road lighting with a 2 metre extending rear light bracket and outline marker lamps for safe and legal towing in UK and Europe
- 160mm EU approved auto reverse brakes
- Industrial EU approved quality tow hitch with a heavy duty jockey wheel and lock
- Supplied with a 1 year Mechanical Warranty and 5 year Chassis Warranty

## Accessories

Due to weight not all the usual optional extras are available on this model.

The following are:
