

Technical Information

Our most popular sized boat trailer suitable for the majority of clubs. Robust and safely stores and travels boats minimising the risk of damage or sagging. Designed to carry front boat overhang above the tow vehicle on the third and top rack.

Standard Features

- Constructed with a clear box floor (the rack legs are outside the box)
- Rear loading prop stands making loading easier
- Fitted with 8 ply tyres for improved tyre life and safety
- Hot dipped galvanised with a steel chassis for additional durability
- Fitted with soft ride axles with low maintenance features
- Diagonal bracing eliminates sagging and allows boats to be stored comfortably on the trailer
- Our unique protective EPDM rubber buffer on all racks to take special care of your boats when stored and in transit
- Road lighting with a 2 metre extending rear light bracket and outline marker lamps for safe and legal towing in UK and Europe
- Pressure treated timber floor (or the option of galvanised steel)
- 200mm EU approved auto reverse brakes
- Industrial EU approved quality tow hitch with a heavy duty jockey wheel and lock
- Supplied with a 1 year Mechanical Warranty and 5 year Chassis Warranty

Accessories

- Mudguard platforms
- Tool box
- Bicycle rack (carries 2 bikes)
- Loading steps
- LED marker lamps
- Galvanised flooring
